

An authentic reproduction of the 8 1/2" Lucas L140 type headlamp used on many British cars in the 1930s and 40s. British made, all brass construction with cast bronze components.

This 8 1/2" lamp has the same rim and reflector as the L140, but a significantly deeper lamp shell. The reflector finish is silver plate as standard. Supplied as a pair of lamps.

A superb reproduction of this pre-war combined spotlamp and driving mirror. Pillar mounted all brass construction. Polished Brass | Nickel | Chrome | Black S217

The 9" L150 headlamp used on British cars including those manufactured by Armstrong Siddeley, Austin, Commer, Daimler, Hillman, Lanchester, MG, Morris, Riley, Rover, Singer, SS, Triumph and Wolseley.

Toby 9 7/8" diameter projector headlamp - Equivalent to Lucas L165 (LB165S/LBD165S) used on British cars of the 1930s and 40s. Supplied as a pair of lamps.

This lamp has the same 9 7/8" rim and reflector as the L165, but a significantly deeper lamp shell. An impressive headlamp for large tourers. Supplied as a pair of lamps.

Pair of 5 3/4" free-standing headlights (with sidelights). Domed glass lens, standard H4 P43T bulb fitting. Polished stainless, or black powder coated 1267S-SL, 1267B-SL

Pair of 7" free-standing headlights (with/without sidelights). Domed glass lens, standard H4 P43T bulb fitting. Polished stainless, or black powder coated body AS700MBS, AS700M

Screw clamp for Lucas reflectors fitted with BA15 bulb holder sockets 644C

Headlamp double contact converter bulb holder for many vintage lamps 853

Replacement brass bulb holders for 15mm diameter bases. Equal or offset locating pins, single or double contacts. Screw terminal connections 153E, 153S, 153O

Lamp mounting bolt - hollow, used on various Lucas spot and sidelamps 631

Headlamp cork gasket, glass to reflector seal 4.5 x 7 x 750mm B-13066

Headlamp harness, H4 block, grommet, with or w/o wedge sidelight 58241, 5825W

Brass headlamp stem nuts, fine 5/8" x 26tpi, 1/2" x 26tpi, 7/16" x 26tpi 632, 632A, 632B

Stem bolt, shake-proof washer and nut used in free standing headlights STEMBOLTKIT

High quality stem bolt cup for headlamp mounting 28mm inner cup STEMBOLTCUP

Headlamp rim clip wires, spectacle and W shaped glass clips 864, 642, 642S, 642A, 642L

Headlamp EPDM rim seal for many Lucas lamps, inc L140, L150, etc 640

Headlamp medallion - TOBY Chrome on brass, fits 12.6mm hole 516TA

Rim catch, chrome plated bronze brackets for Lucas type headlamps 13016-A, 13016-B

Headlamp daisy head rim screw - 18mm long 2BA thread 641

Rim catch, for Lucas type headlamps, use with 'spectacle' wire spring clip 863B

Replacement headlamp lenses, domed and fluted or flat diffused glass. Sizes - 8", 9", 10" 551308, 551093, 507163, 516173, 505975

Diver's Helmet, superb brass lamp, 90mm diameter with 52mm bulls-eye glass lenses. Polished Brass | Nickel | Chrome
CA1177

L494 type, chrome on cast body
140x75mm, 13mm mounting stem

TOBY badged, accepts H1 bulbs
1267SH1MED

5" chrome fog lamp, vintage lens
pattern design from the 1940's
C364007

Small chrome driving lamps (pair)
approx 125mm diameter, 70mm deep
CA1410

Pillar mounted spotlight & mirror
As Raydyot HS495, chrome on brass
570M

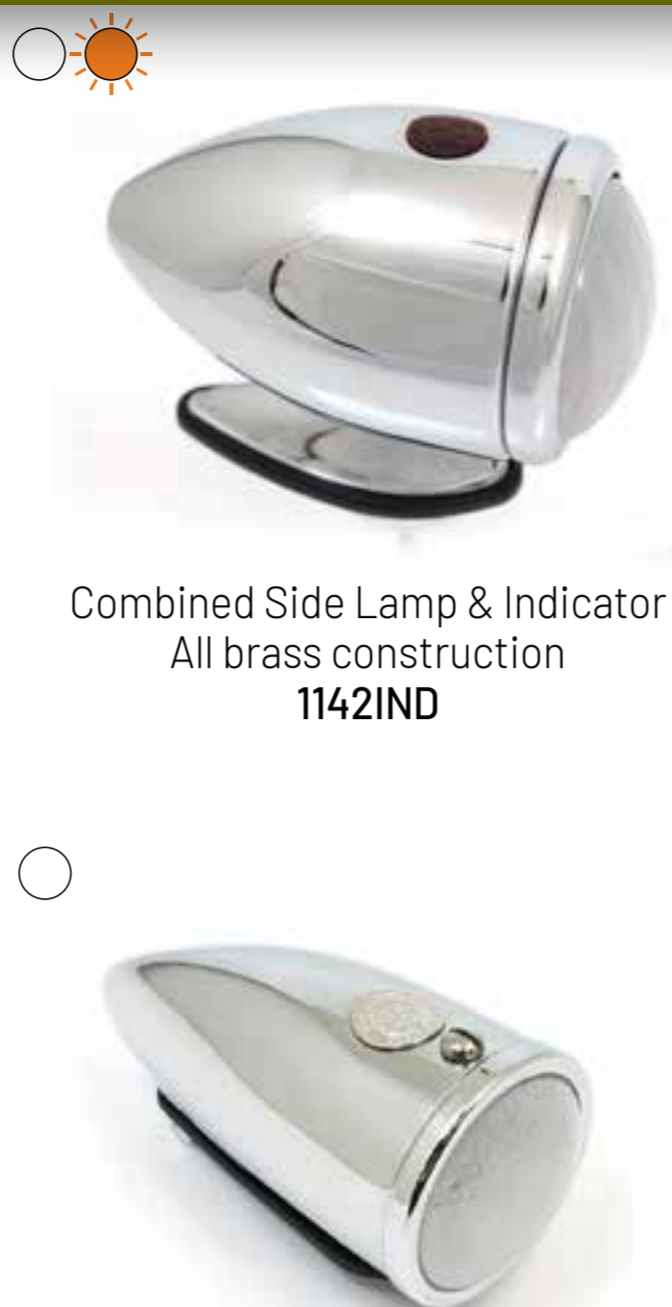

3 - Side Lamps, Indicators & Reflectors

Modified torpedo side/wing lamp with red TOBY 'tell-tale' dot
Chrome plated brass body, 2 wedge bulbs - amber & clear
297A-IND

Lucas 1130 type. Chrome plated brass
body with TOBY red dot
297A

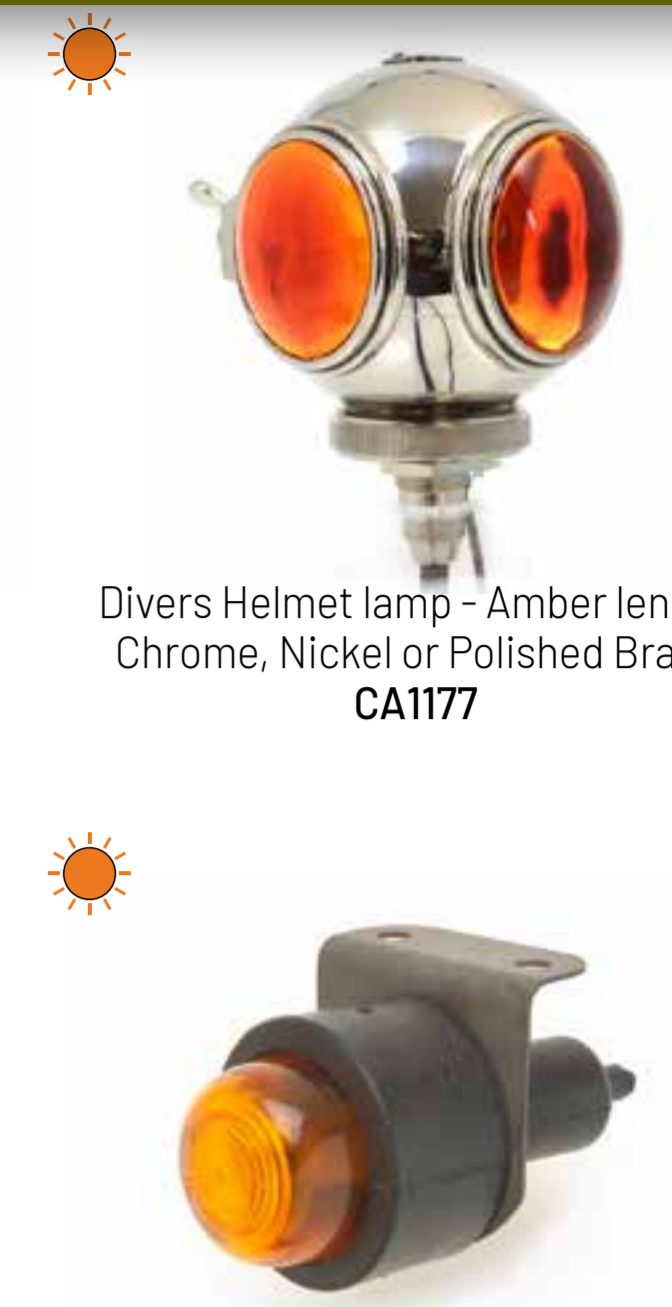

Combined Side Lamp & Indicator
All brass construction
1142IND

Nickel torpedo lamp ,bullseye glass,
Dual function indicator option
CA1010-NICKEL, CA1010-NICKEL-IND

Torpedo lamp - cast body
Clear plastic lens
1130CC

Divers Helmet lamp - Amber lenses
Chrome, Nickel or Polished Brass
CA1177

Torpedo lamp converted to accept
2 wedge bulbs - amber & clear
297G-IND

Sidelamp 1130 type - Black body
chrome 'Toby' medallion
297BB

Small side lamp equivalent to Lucas
type 516 as fitted to A30, Morgan etc.
787

Torpedo style indicator lamp
reproduction of Lucas 1130 type
297AMB

Twin bulb holders upgrade for 1130 type
lamps. Add flashers!
424A

Torpedo 1130 style side lamp
Toby 'Red dot' tell tale insert
297AB

Glass sidelamp with heavy chrome rim
- approx 60mm diameter
52139

21w Indicator + 5w sidelight
Toby 'Red dot' or medallion insert
297AB-IND, 297BB-IND

Double contact bulb holder for 1130
type lamps, BA15D parallel pin bulbs.
424

L539 type, 83mm, Austin, Bristol, MG,
Riley, Rolls Royce, Rover, Vauxhall
539LADC, 539CDC

Small Indicator Lamp - Chrome, Body
approx 58 x 70mm
932

LED kit for Lucas Type 1130 lamps
converted to Sidelight/indicator
424ALEDK

Teardrop base, LD109 pattern
TOBY red dot in top, glass lens
918-T

Flush rubber back.
72mm diameter, glass lens
993A-GLASS

Early cylindrical indicator lamp with
Amber prismatic lens, screw rim
288AB-IND

Black cylindrical indicator lamp with
larger 55mm amber plastic lens
288B-IND

Early indicator lamp with prismatic
lens, screw rim, chrome/nickel
288AC-IND, 288AN-IND

55mm amber plastic lens, 42mm
diameter body, Chrome or Nickel
288C-IND, 288N-IND

Round base, LD109 pattern
TOBY red dot in top, glass lens
918-R, 918-RB

Recessed rubber boot and body.
74mm diameter, glass lens
298A

Recessed rubber boot and body.
72mm diameter, glass lens
299AMB

Large sidelamp, 90mm diameter
Can accept dual function bulb
592B

Large sidelamp, 90mm diameter
Can accept dual function bulb
592C

Large sidelamp, nickel plated
Can accept dual function bulb
592N

Stud mounted indicator, large or small
60 x 45mm or 40 x 25mm
CA1293, CA1293A

Reflector, flat rubber back with screw
53mm, Chrome, Nickel or Brass
394C, 394N, 394B

Reflector, flat rubber back with screw
51mm, deep Brass, Chrome, Nickel rim
CA837, 872C, 872N

Reflector, flat rubber back with screw
71mm, Chrome or Nickel rim
CA1426

Reflector, flat rubber back with screw
48mm, equivalent to Lucas type RER6.
167

Angled rubber reflector
74mm, equivalent to Lucas type RER2.
240

Lucas type reflector, alloy surround
(42mm dia) and stepped bracket.
179

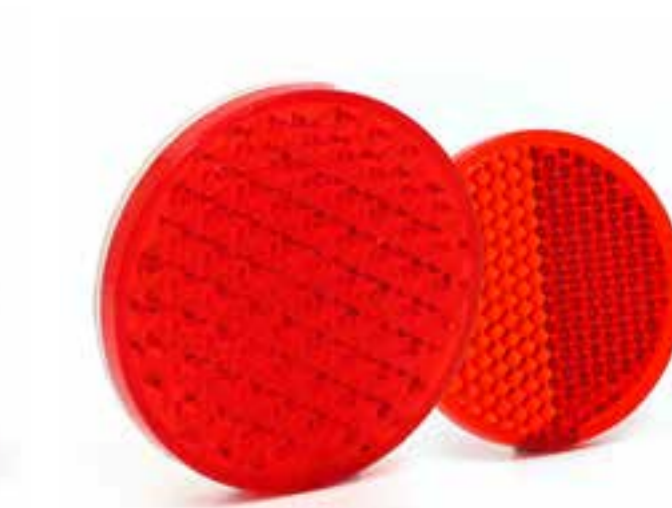

Stud mounted reflector, metal
surround, 42mm or 58mm
E80-NC-1, E187-NC-1

Reflector, chrome rim. 89 x 43 mm
Triumph, Austin Healey, Midget, etc
RER22

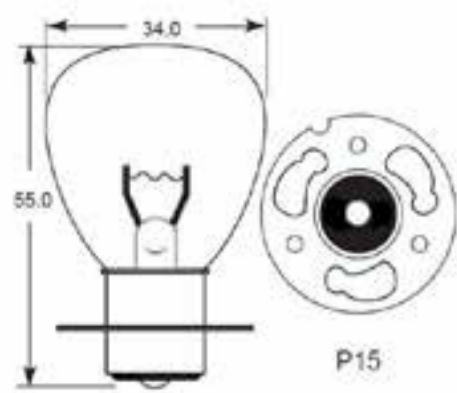

Reflector on mounting plate with stud,
45 or 55mm, 'E' marked
REDREF2, REDREF3

Self-adhesive reflector 55mm disc,
40mm plain replacement disc
REF310, REDREF1

212

Slot & peg type blade for flat screens,
stainless, 8, 9 or 10" - easily shortened
370, 371, 371A

Sprung back for curved screen, 8 to 12" 5.2mm
bayonet fitting
213-5

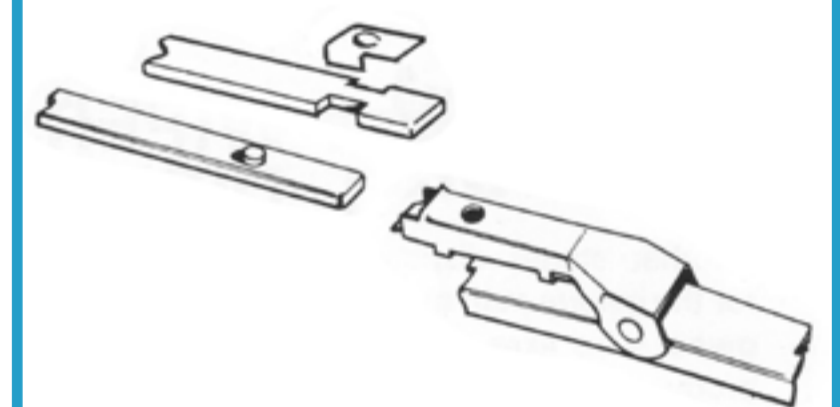

Sprung back for curved screen, 10 to 15" 7mm
bayonet fitting
213-7

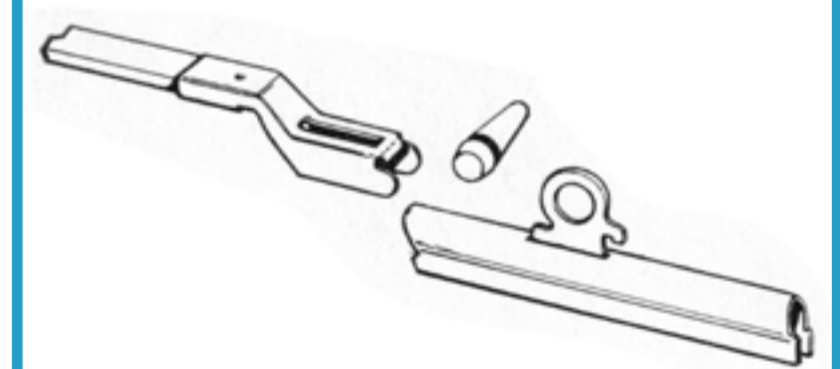

Rubber peg & ducks foot peg to secure slot
type wiper blades to wiper arms
372, 372A

Wiper Blade Fittings Guide

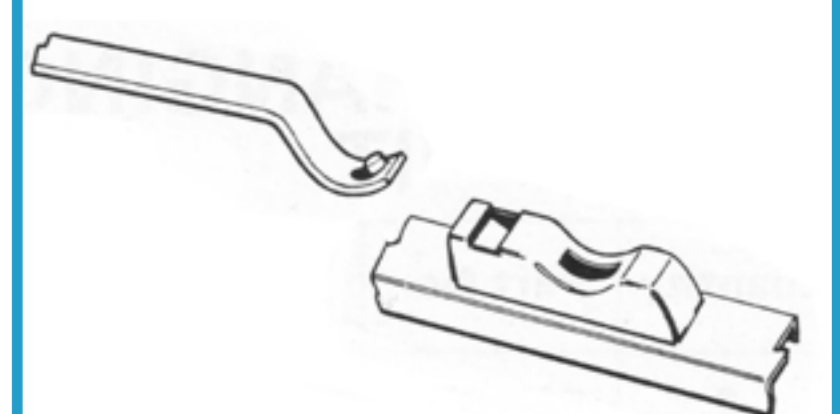

Bayonet Type Arms & Blades

Typical fitting for post 1960 vehicles with curved windshields. Available for 5.2mm and 7mm width arms. The lower bayonet arm is more common.

Slot & Peg Type Arms & Blades

Typical fitting for vehicles with flat windshields. A rubber peg secures the wiper blade.

Wrist/Spoon Type Arms & Blades

Hook fitting usually found on vehicles with curved windshields prior to 1960.

Bifurcated copper rivet, 7.5mm head, stem
3.8 x 11mm - for bonnet tape
654

Bonnet rubbing tape - flat type
Approx 3mm thick, 10-25mm wide
270, 231, 271, 232, 248, 920

Bonnet rubbing tape - beaded type
Approx 4.5mm thick, 13-25mm wide
880, 246, 230, 247

Undrilled brass hinge strip. 64mm across
open. 3, 4 or 6ft long
464.3, 464.4, 464.6

Bonnet hinge folded type, brass pin, stainless steel, 5ft length
Side hinge (32mm open) and top hinge (44mm open)
711S, 711T

Dzus twist fastener - 16mm reach
38 x 22mm plate, panel fixing, ¼ turn
832B

Hood fastener fitted to top hood rail, to locate
peg on windscreen frame
280

Small swivel catch for panels etc
base 32.5 x 22.5mm
811

Over centre catch - Lockable
Base 75 x 30mm, overall 93mm
965

Bonnet chrome hinge centre strip
and folded steel side strips
16632, 16632-FL

Chrome end cover & clamp for centre strip.
base 51mm x 13mm
16632-END

Throw over catch - Small, overall size approx
45 x 28mm. Chrome on brass
871L, 871R

Door check strap - Leather over spring steel
as fitted to many vehicles
638-BRN, 638-BLK

Door check strap 30mm wide leather Fitted
staples (loops), 190mm long
194-BRN, 194-BLK

Door check strap 30mm wide leather Fitted
staples (loops), 150mm long
194A-BRN, 194A-BLK

Over centre catches from 65 x 32mm base (80mm overall)
to 77 x 26mm base (105mm overall)
301, 301A, 303

Door dovetail wedge and silencer
Spring metal/rubber buffer
785

Door buffer wedge - shoe, rubber buffer and screw plate
Large cast bronze = 41 x 36 x 14mm deep, small steel = 30 x 30 x 14mm deep
566.08SET, 197

Brass lock striker plate - click/click
Cast brass, 38 x 32mm, double click
541

Brass lock striker plate - click
Cast brass, 22 x 54mm, single click
542

Dovetail door wedge, steel 24 x 52mm approx.
High quality mating halves
423

Sidescreen fitting peg & socket
chrome on brass, 8mm x 40mm pin
102, 103

Door hinge pin, tag, spring and nut
For 51 or 64mm self aligning hinges
688A, 688F

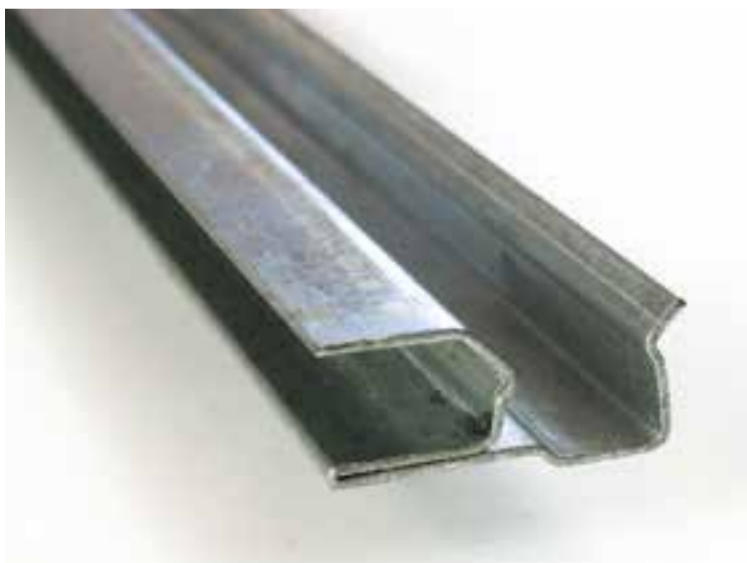

Replacement brass balls for self aligning
hinges
688B, 688C, 688D

Brass door hinges - undrilled
Flap 1½" x 2" wide or 1½" x 2" wide
296, 596

Brass door hinges, steel pin, 5 equal knuckles - undrilled
Flap closed size 1½" x 4", 1¾" x 4", 2" x 4", 2½ x 4"
652, 272, 823, 948

Window lift channel, 10mm internal
zinc plated, suits most applications
867

Small surface mount vintage door lock, original early Morgan style
Base size 86mm x 51mm, lever to top, square shaft hole.
540L, 540R

Surface fitting slam door lock 80mm x 60mm
x 15mm deep, plated finish.
462

Surface mount vintage door lock, pre-war style lever handle
Base size 87mm x 51mm, particularly suitable for open bodywork
471L, 471R

Window weatherstrip, black flock covered
rubber, seals 10/10mm gap
382, 685

Window weatherstrip - Galvanised edge bead, 5mm x 17mm,
Stainless edge bead, 5.5mm x 11.5mm
489, 715

Flexible metal window channel
For 4.7mm to 6.4mm thick glass
488

Aluminium strip and rounded rubber insert, 16mm and 19mm
Ideal for edging on the running boards
282.6, 283.6

Spark plug terminals HT spade end for 7mm cable - solder connection
557

Brass spark plug terminal nut - for most modern plugs. 4BA thread
764

Wire clip for holding old style brass spade HT terminal on to spark plug
762

Adaptor - allows a 14mm plug to be fitted in to a 18mm plug hole
452

12v Non-Ballasted Coil, screw-in top cable. As Lucas DLB100, 401650
COIL2

12v Non-Ballasted Coil, screw-in top cable. As Lucas DLB100, 401650
COIL6

12v Super Sports Coil, Non-Ballasted, primary resistance 2.8 ohms
COIL8

HTC straight spark plug terminal, as original early Champion version.
HTC

Straight plug cap, black phenolic moulding, 5K carbon suppressor
0.292.00

Suppressed spark plug cap - Equivalent to NGK part LB05E
LB05E

Suppressed CHAMPION plug cap, 90 degree angle (side entry)
WCX600-CHAMP

Non-suppressed, Hypalon spark plug cap, complete with terminal.
0.292.UN

Non-suppressed Right angled, Hypalon spark plug cap
0.595.UN

HT distributor lead push in terminal screws into end of copper HT lead
006-03

Straight insulator cover for distributor cap or coil terminal
009-11COV

Folded washer for 18mm spark plug or our adaptor part number 452
714

Ignition lead end split brass washer for distributor HT lead 9.5mm
921

Long acorn nut - lead connections on coils and on distributor caps
ACORNLN

Continental 12v cartridge fuses, 25mm Available in 5, 8, 16 & 25amps
Please enquire

HT ignition cable, Cotton Braid covering with copper core
611

HT ignition cable, copper core withstands oil/heat very well
416

Rotor Arms - over 35 types inc premium Distributor Doctor fitments
Please enquire

Distributor caps - over 50 types inc 4, 6, 8 & 12 cylinder, top & side entry
Please enquire

Contact Sets - a huge range to fit Ford, Lucas, & Delco-Remy distributors
Please enquire

Condensers - a range of 23 types for traditional points systems
Please enquire

Glass fuses 12v in full range 1 to 50 amps, 29mm long
Please enquire

Wiring harness sleeving - Bituminised fabric. 6, 8, 10, 12mm bore
344A, 344B, 344C, 344D,

Brass conduit sleeving 6-20mm bore Chrome and Nickel plated
763A, B, C, D, E

Battery Cable with braided outer 170amp and 300amp
801, 801A

Cotton Braided Cable with PVC under 8, 6, 27amp by metre or assorted
608, 609, 610

Spark plug holder - 4 way Cast aluminium, 18mm or 14mm
402, 451

Spark plug holder - 6 way Cast aluminium, 18mm or 14mm
603, 604

Snap terminal connectors single or double with solder nipples
558, 559

Tinned brass ring terminals Wire crimp type
RT3, RT4, RT15, RT21, RT27, RT30

Non Insulated FEMALE spade terminal for cables 1 to 2.5mm²
TNIF63

Junction Box 38mm diameter 2 screw posts inside
308

Junction Box black Bakelite 3 screw posts, 42mm diameter
308A

Junction Box black Bakelite 4 screw posts, 51mm diameter
309

Junction Box black Bakelite 6 screw posts, 60mm diameter
375

Ross Courtney wire end terminal Brass - 3 sizes
721A, 721B, 721C

Snap Connector Pliers for inserting bullet nipples into connector
0.004.00

Bullet snap collectors crimp type for 1mm or 2mm wire
560C1, 560C2

Fuse Box - SF4 type, Bakelite Holds 4 glass fuses
908

SF5/2 type single fuse box Black Bakelite, 54 x 32mm
307

Fuse box to accept Bosch/continental cartridge fuses Screw-on cover, 6-way, 4-way or 2-way
659, 658, CA1394

Brass curved radiator drain tap.
1/8" BSP and 1/4" BSP
341, 340

Straight drain tap, OFF position is with the lever in line with tap.
3/8" BSP, 1/4" BSP, 1/8" BSP
203, 339, 338

Brass Butterfly drain tap
1/8" BSPT and 1/4" BSPT (taper threads)
336, 337

Fuel & Oil Shut Off Taps- straight in-line valve.
1/8" BSP, 1/4" BSP, 1/8"-1/4" BSP, 3/8" BSP
202, 342, 343, 574

In-line tap kit with compression nuts & olives, for 1/4" or 5/16" OD copper pipe
342-COM-1/4, 342-COM-5/16

Fuel/Oil Push On/Off tap
1/8" to 1/4" BSP, or 1/4" to 1/4" BSP
895, 896

Malleable copper tube
1/8", 3/16", 1/4", 5/16", 3/8", 1/2" OD
155, 156, 157, 158, 159, 911

SU carburettor solder type banjos for 5/16" OD pipe
single, double 90°, double 180°
368B, 368C, 368D

SU carb banjo bolt fits T1, T2 & T4 float chamber lids. 3/8" BSPP thread
368P

Solder type banjo union with 1/8" BSP with bolt and washers
3/8" BSP for 3/8" pipe, 1/4" BSP for 5/16" pipe, 1/8" BSP for 1/8" pipe
369, 368, 367

SOLEX carb banjo union, solder 1/4" pipe, M12 x 1.25 thread
368A

Brass drain plug with flange
1/8" BSP, 1/4" BSP, 3/8" BSP, 1/2" BSP
330, 331, 332, 333

Elbow with 60° cone seat
Supplied in four BSP sizes
ELBOW 1/8, 1/4, 3/8, 1/2

Elbow kit with solder nipples and nuts for 1/8" or 3/16" OD pipe
162-1/8, 162-3/16

Elbow kit with solder nipples and nuts for 1/4", 5/16", 3/8", or 1/2" OD pipe
348, 349, 350, 350A

Brass Y fitting for fitting oil pressure gauge/switch 1/8" BSP
984G

Tee piece, union body only, cone seat
1/8" BSP, 1/4" BSP, 3/8" BSP, 1/2" BSP
TEE-1/8, TEE-1/4, TEE-3/8, TEE-1/2

Tee piece kit with solder nipples and nuts for 1/8" or 3/16" OD pipe
682-1/8, 682-3/16

Tee piece kit with solder nipples and nuts for 1/4", 5/16", 3/8", or 1/2" OD copper pipe
345, 346, 347, 347A

Double ended unions, cone seats
1/8" BSP, 1/4" BSP, 3/8" BSP, 1/2" BSP
UNION-1/8, -1/4, -3/8, -1/2

1/8" BSP nut with flat-face solder nipple for rear of oil pressure gauges
990-1/8, 990-3/16

Unequal union, cone seats
1/4" BSP to 3/8" BSP
163

Unequal union, 60° cone seats
1/8" BSP to 3/8" BSP
163A

Unequal union, 60° cone seats
1/8" BSP to 1/4" BSP
953

Union kit with solder nipples and nuts for 3/8" for OD pipe or 1/2" OD pipe
439, 439A

Union kit with solder nipples and nuts for 1/8", 3/16", 1/4", 5/16" OD pipe
435, 436, 437, 438

Flexible hose fitting- barbed for 3/8", 5/16" or 1/4" ID pipe
CA826C, CA826A, CA826B

Side lever grease gun with rigid and flexible standard connectors
1/8" BSP connection, 1.5cc per stroke, max 490 bar
942

Grease gun adaptors for TAT flat top nipples. Pull-on, or Push-on
108B, 108A

Grease gun adaptor for TAT flat top nipples. Adjustable angle
108C

4 Jaw precision coupler for grease nipples, machined & hardened jaws
108D

Grease gun adaptor to fit older bayonet style grease nipples
108D

Grease/oil gun adaptor for ENOTS style grease nipples
204, 205, 206

ENOTS type grease nipples and cap
1/8" or 5/16" BSF thread
204, 205, 206

Bayonet style grease nipple found on some older vehicles, 1/8" BSP
840

TAT style grease nipples, 1/8", 1/4", 3/8", 5/16", M6, M10, M12
105, 105A, 107, 924, 429.6/10/12

Straight hydraulic grease nipple
7 thread sizes 1/8" - 3/8"
841STR

45° hydraulic grease nipple
6 thread sizes 1/8" - 3/8"
841ANG

90° hydraulic grease nipple
6 thread sizes 1/8" - 3/8"
841RIGHT.ANGLE

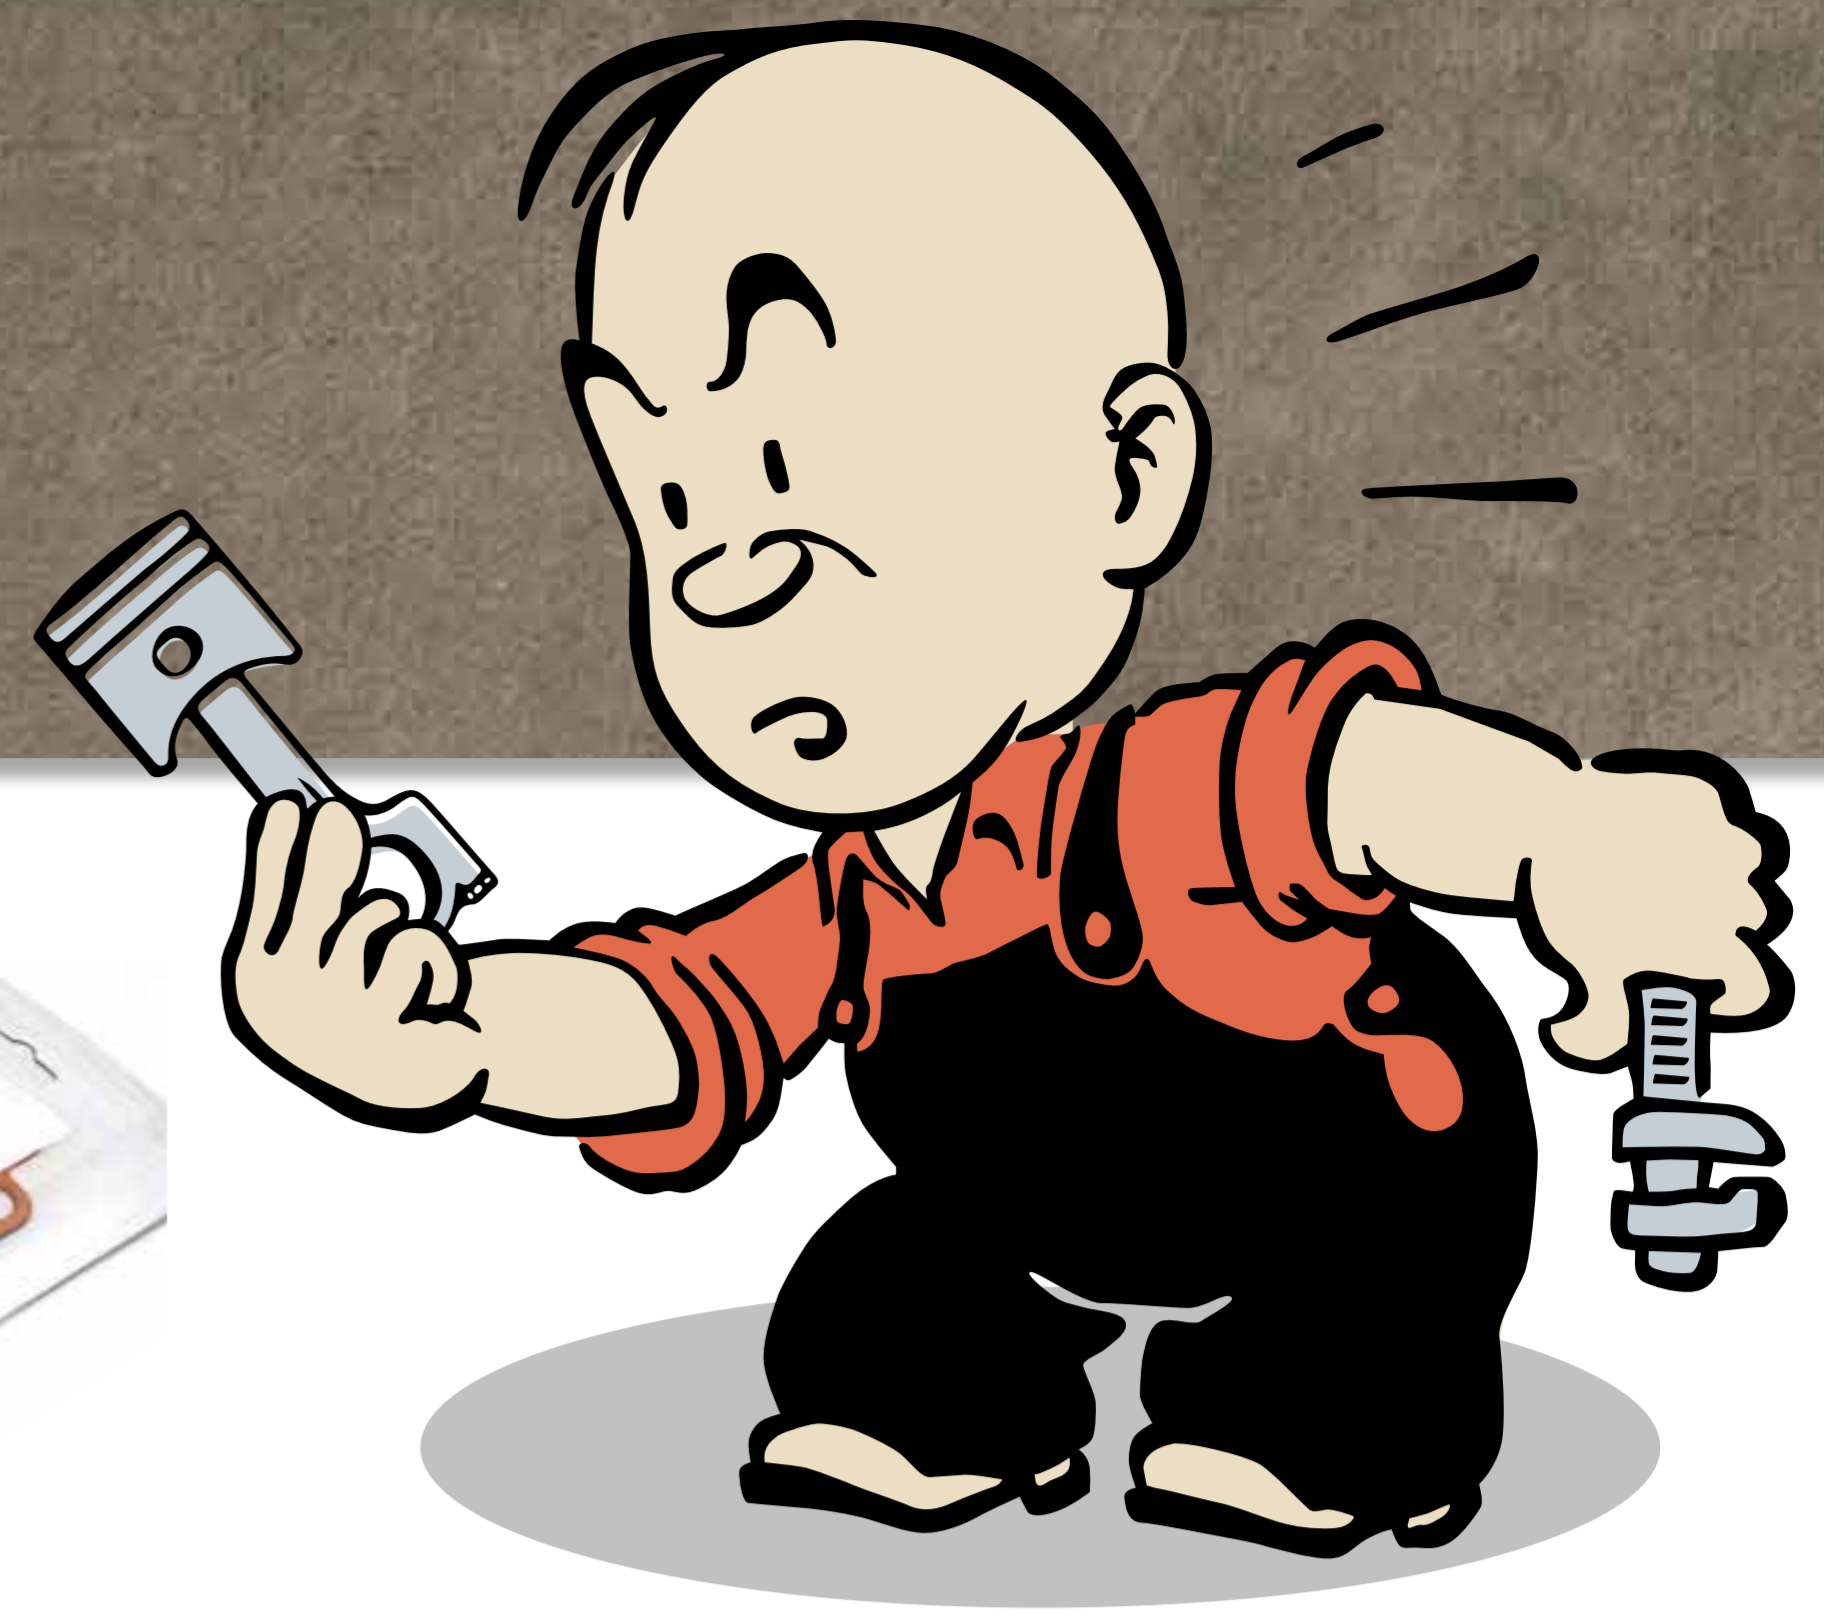

Vernier drive blanks - bronze
Simms type, 14,15,19,20,23,24 teeth
446

Vernier drive coupling - hard rubber
Simms and Bosch types
449, 450, 873, 902, 915, 916

Cable adjuster, simple device for adjusting cables, approx 85mm wide
483
